

VISION COMPLEX ORPHANAGE AND SCHOOL: A STORY OF HOPE AND GIVING

Every day and every month, a kind man named Robert Hosken, a retired missionary, and his non-profit group **Agape Restoration Society Inc.** reach across borders to touch the lives of children and adults he's never met in person.

Our journey began with a dream: to give orphaned and vulnerable children in our community more than just food and shelter, we wanted to give them love, education, safety, and a chance at a brighter future. But along the way, we have faced hard challenges: hunger, school fees, medical bills, and the constant need for basic necessities.

And then came Robert.

We met through Robert's daily online "[Morning Prayers and Readings](#)." Month after month, his support, often between \$200 - \$1000, has kept hope alive here. He has:

- 1 Provided over 900 meals for hungry children and bought rice seed for planting,
- 2 Paid for urgent medical care when sickness struck,
- 3 Dug a deeper well with a pump & storage tanks so the kids can have enough water,
- 4 Bought a big flat screen TV and a laptop for the school so you can talk to the kids,
- 5 Laid a foundation for an [ARC \(Agape Restoration Community\)](#) at Vision Complex.

But Robert's hands, generous as they are, can't carry the weight of these needs alone. His funds are running out. Right now, some kids still sleep on thin mats on the floor. The kitchen needs repair, we need a school van and we're short of school fees for the kids.

This is where YOU come in.

YOU can join Robert in changing lives. Whether it is \$20, \$50, \$100 or more, your gifts will ripple through these children's lives, feeding them and wrapping them in love.

To Robert we say thank you for being the heartbeat of Vision Complex Orphanage. AND TO YOU reading this: Be the next hero in our children's story. Together we can turn hardship into hope.
